90 Day Goals

What are the main goals you need to be focusing on in the next 90 days?

What projects do you need to be working on in the next 90 days?

90 Day Goals - Prioritising

Take a look at your goals and the projects you have identified and write them down in order - 1 being the most important, 2 the second most important and so on.

My theme for the next 90 days is:

I will achieve this by committing to consistently taking action on:
